Dear Pretty Pond Friends,

This is a formal communication about Forms K1 for Pretty Pond, LLC this year. Our CPA, Lawson Travers, has requested an extension from the IRS for preparing these forms. Thus, you will not receive your Form K1 in time to file your individual return by April 18 (tax deadline for this year) and will need an extension of time to file. Please consult your individual tax preparer or whomever you look to for guidance on how to handle this based on your personal tax scenario. We do expect to be reporting a loss in income. However, neither I, nor Lawson, is in a position to give tax advice to individuals. Here is IRS guidance:

Lawson will need everyone's details (social security number, legal name, address, email) to issue the K1. Please provide that info to her via her secure portal:

Sincerely,

Elizabeth
