When a loved one dies inside of jail, families are often left with questions and indifference. In this day long CLE, we will learn how to approach wrongful death litigation from experts in investigation, litigation, and storytelling.

We will also look at some underutilized tools that can support the litigation. 6 CLE credits are being offered including one ethic credit. (Application for credit in North Carolina is pending)

AGENDA

INVESTIGATING WRONGFUL DEATHS IN JAIL

9:00 - 10:00 AM

Exploring strategies for investigating wrongful deaths in jails including interviewing, data development, and working with families and community.

LITIGATION STRATEGY

10:15 - 12:15 PM

Hear from experienced civil rights attorneys about some of the strategies to consider in wrongful death litigation.

SPECIAL CONSIDERATIONS

12:30 - 1:30 PM

Examining litigation around cases that involve opioids and suicide with subject matter experts.

ETHICAL CONSIDERATIONS IN LITIGATION FUNDING

1:45- 2:45 PM

Exploring the potential of seeking funding to help litigate these cases and the ethical considerations when you seek it.

BROADENING YOUR IMPACT OF YOUR LITIGATION

3:00- 4:00 PM

Learn how wrongful death litigation can help spark positive change.
